Our Puerto Vallarta adventure begins with a scenic catamaran cruise along the beautiful shores of Banderas Bay; admire how the sun sets over the ocean as darkness descends framing a wonderful sunset.

Our cruise continues under the starlight until we find the glow of the torches that will guide us to what will be our private shelter tonight "Las Caletas". Enjoy your dinner while the sea caresses your feet and your waiter pampers you with dessert and coffee.

At the end of dinner, the sound of rhythmic drumming will guide you to the outdoor amphitheater where you will find, hidden in the jungle, a fabulous pyramid beautifully illuminated with torches providing this moment with a special atmosphere that will be only the beginning of an impressive and spectacular pre-Hispanic and contemporary show.
